Subject: **Sponsorship**

Dear Sirs,

The 289th Agia Fyla Scouts Group, is always aiming at improving and upgrading our equipment and facilities. In this respect, we wish to address to your esteemed company, in order to secure sponsorship which will enable us to continue our work. The minimum sponsorship amount is set at € 100 and the maximum amount is € 500. Higher sponsorships will be promoted accordingly.

All sponsors will be featured throughout the scouting year 2018-2019 through the System's website, our facebook page and brochures / banners. Reference will also be made to various events that the system will carry out, as well as on a large banner which will be posted outside our System. A booklet will also be published with all sponsors and will be given to all members and friends of our System. Legal receipt will be given for the sponsorship, for tax exemption purposes.

Furthermore, please inform us whether you wish to offer a discount to the products and / or services of your company for our Members.

The 289th Scouts group today counts 230 members. Through them, more than 1.000 people are reached in their immediate family environment. Therefore, your company will be promoted to all of these people. It has also been established over time that our members and their families tend to actively support companies and organizations that support our System.

We hope that our request to become one of our sponsors will be treated favorably by you. In such a case, please send us the attached form duly signed, as well as your company logo in electronic format to marios.koudounas289@gmail.com. The last date for submission of the sponsorship is the 31st October 2018.

For any further information, you may contact us at telephone number 96 650454 (Marios Koudounas).

Yours sincerely,

Marios Koudounas
